Sub: BUILDINGS - Dt.Prohibition Office and quarters - Mangalore - Electrification of proposals Submitted.

The office of the Dt. Prohibition Officer, South Kanara is situated in the old Excise Inspector's office building which is very poorly ventilated. Even on ordinary days, there is no adequate light inside the office and the previous office staff were managing with great difficulty.

Now ~~ne~~ that the clerical staff has been increased on account of centralisation of office work with effect from the beginning of May 1949 and that there is heavy office work in consequence, it has become extremenly difficult to carry on with the scriptory work of the office especially during the monsoons. Even during ordinary days there is no adequate light inside the office building which is of a very old type. Now that the monsoon has set in and sometime it is cloudy for days together, writing work inside the office has become very difficult and the clerical staff are doing the work with very great inconvenience. This hampers prompt disposal of work also.

In every other Government office private firms etc. in Mangalore Town they have fitted up electric lights. The electric good have become cheeper now and the connection to the office building and quarters of the D.P.O. can be got from a distance of only about 50 yards. I therefore request that the Government may be addressed to accord sanction to electrify the office and Government quarters. I shall submit an estimate on receipt of orders on this reference.

Sub: BUILDINGS - S.Kanara District - Dt. Prohibition Officer's office - Electrification - Estimates - Sanctioned.

Read: G.O.Ms. 2967 P.W.D. dated 1-10-47
From the Board of Revenue (Ex) C.R.No. 24650- Abk/50-XD4 dated 28-9-50.

G.O.Ms. 4499 dated. 11/4/50

In the circumstances stated in the Board's reference quoted above, sanction is accorded for incurring an expenditure of Rs. 1389/- (Rupees one thousand three hundred and eighty nine only) for the electrification of the District Prohibition Officer's office at Mangalore. The Govt do not consider it necessary to sanction the electrification of the Dt Prohibition Officer's quarters.

2. The expenditure should be debited to "8-Excise'

Finance(Exp.C.)Department

The proposal of Development is to accord sanction for the electrification of the Dt.Prohibition Officer's Office and quarters at Mangalore at an estimated cost of Rs.1,389/- and Rs.1083/- respectively.

The present policy of Govt. is to defer electrification schemes in both residential and non-residential buildings, in view of the high cost of labour and materials and of the prevailing financial stringency of the State, Vide G.O.2967 P.W. dated 1-10-47. The Govt. however sanction individual cases on their

457 g g (A)

merits, if absolutely necessary, and electrification of residential quarters is not sanctioned with the same latitude as electrification of non-residential buildings. In the present case, it is proposed to electrify both the Office and the residential quarters of the District Prohibition Officer, South Kanara District. This Deptt. may agree to the proposal for the electrification of the Office but advise against that of the quarters, as is done in other cases.

Subject to the above remarks and subject to orders being taken in circulation to H.M. (Finance), the draft Order on pp.1-2 above may be accepted.
